Marvin Woodard v. Christopher Cruz Community Corrections Manager For the Bureau of Prisons, Maria Richard Director for Cornell Corrections. Case number CV-08-2765.

I Marvin Woodard hereby declare as following. (1) I am the plaintiff in Civil case 08-2765-SI.(2) I submitted a BP-230(10) request to the Regional Director for the Federal Bureau of Prisons in regard to the Administrative Remedy number 491204-Fl around May 15, 2008. The Regional office had until around june 5, to respond to the BOP request requesting that the subsistence charge of 25% of my gross income be waived and that the subsistence funds already collected by the BOP be return.

BOP failed to respond on the due date of June 5th 2008. On June 11th the date I was schedule to release I was told by Mr. Cruz that I owed 314.00 subsistent and I agree to settle the Administrative Remedy my Subsistent charge of 314.00 dollar would be waived. I declined the offer because I ask for the return of all subsistent charge that I had already paid out to BOP and Cornell Corrections. I was than told to wait in the Lobby. Mr.Cruz left a Short time later after I was told to wait in the lobby.

I was than met by case manager Dora who is employed by Cornell Corrections that I would not be allowed to be release from Cornell Corrections untill the subsistent charge of 314.00 be paid. I than advised Dora that I did not have the funds and that I was schedule to be at work, and that I would loose my job if they did not release me as soon as possible. She than gave me a form to sign and I declined.

After believing that I would not be release from Cornell Correction until the 314.00 is paid I signed the request to withdraw the BP-10 with the belief that the funds already collected by BOP, and Cornell Corrections be return and that the 314.00 currently owed be waived. I declare under penalty of Perjury that I signed the paper to withdraw the BP-10 under duress and, in fear that I would loose my job had I chose not to withdraw from the BP-10, and thru the threat that I would not be allow to be release.

Cornell Corrections use sly release inmate around 6:00am however I was not release until about 10:40 am If called on to testified I have know objections. This declaration is executed in the City of Hayward on this 14th Date of June 14th 2008.

Respectfully Submitted
